

Cashless Payment, Carry-In Policy & Fan Safety

CASHLESS PAYMENT

Fans can use traditional credit/debit card payment methods, as well as a variety of contactless payment solutions such as MasterCard Nearby Mobile App, Apple Pay, Google Pay and tap-and-go credit cards. More mobile payment solutions will be introduced in future seasons. Checks will not be accepted.

Those who do not use credit or bank cards may use **free cash-to-card conversion stations**, which issue payment cards that can be used at Lambeau Field, as well as at other retailers, restaurants and businesses outside the stadium where MasterCard is accepted. Fans can load \$5-\$500 on the cards and funds will be available to users for five years from the last date money was loaded on the card. Conversion stations will be available at various locations at Lambeau Field and Titledown on game days and in the Atrium on non-game days.

CARRY-IN POLICY

Police officers are stationed at each entrance gate to ensure your safety while visiting Lambeau Field. You and your belongings may be searched upon entry into the stadium. If you elect not to consent to being searched, you will be denied entry. Please be aware that carry-in policies may be modified from game to game as security levels change, and items permitted into the stadium may be determined at the discretion of each officer.

Firearms and other weapons, bags, backpacks, coolers, strollers, umbrellas, duffel bags, large purses, fanny packs, obstructive banners and signs are all strictly prohibited, as are food & beverages, noisemakers of any kind, selfie sticks, video cameras and still photo cameras with lenses over 12 inches.

Fans will be allowed to carry in a clear bag that does not exceed 12 x 6 x 12 inches or a one-gallon, clear plastic bag. Additional clothing, blankets, etc. are allowed if carried in loosely or in an approved clear bag. Small clutch purses the size of a woman's hand, measuring no larger than 4.5 x 6.5 inches are permitted, but subject to search. Small cameras, binoculars and cell phones are acceptable if carried in loosely or in an approved clear bag. For cold weather games, battery operated clothing is permitted. Traditional stadium seats with backs and seat pads are permitted as long as they do not exceed 18 inches wide and contain no pockets, zippers or concealable areas. Oversized seats and/or seats with arm rests or other attachments are not allowed. Prohibited items must be returned to your vehicle or they will be confiscated and discarded.

Regarding Wisconsin's concealed carry law now in effect, the Packers, as occupant of Lambeau Field, will continue our no weapons policy and prohibit carrying firearms or other weapons on the property, including the parking lot.

Additionally, all fans entering Lambeau Field on game days will use walk-through metal detectors. Unlike the screening machines at airports, guests are asked to not remove any jackets, belts, coins, keys, wallets, watches, or other objects of similar size. Guests will instead be asked only to remove cell phones, cameras, tablets and other large metal objects and place these items in an extended tray alongside each machine in close proximity and in clear sight.

The most efficient way through the detectors will be via express lanes, which can be found at each gate and used by fans entering the stadium without any bags or stadium seats.

**ALL individuals, regardless of age (babies included),
must have a ticket to enter Lambeau Field on game day.**
