# Cashless Payment, Carry-In Policy & Fan Safety

## CASHLESS PAYMENT

Fans can use traditional credit/debit card payment methods, as well as a variety of contactless payment solutions such as MasterCard Nearby Mobile App, Apple Pay, Google Pay and tap-and-go credit cards. More mobile payment solutions will be introduced in future seasons. Checks will not be accepted.

Those who do not use credit or bank cards may use free cash-to-card conversion stations, which issue payment cards that can be used at Lambeau Field, as well as at other retailers, restaurants and businesses outside the stadium where MasterCard is accepted. Fans can load \$5-\$500 on the cards and funds will be available to users for five years from the last date money was loaded on the card. Conversion stations will be available at various locations at Lambeau Field and Titledown on game days and in the Atrium on non-game days.

## CARRY-IN POLICY

Police officers are stationed at each entrance gate to ensure your safety while visiting Lambeau Field. You and your belongings may be searched upon entry into the stadium. If you elect not to consent to being searched, you will be denied entry. Please be aware that carry-in policies may be modified from game to game as security levels change, and items permitted into the stadium may be determined at the discretion of each officer.

Additional clothing, blankets, etc. are allowed if carried in loosely. Small cameras, binoculars and cell phones are acceptable if carried in loosely. For cold weather games, battery operated clothing is permitted. Traditional stadium seats with backs and seat pads are permitted as long as they do not exceed 18" wide and contain no pockets, zippers or concealable areas. Oversized seats and/or seats with arm rests or other attachments are not allowed.

Firearms and other weapons, coolers, strollers, wagons, umbrellas, obstructive banners and signs are all strictly prohibited, as are food & beverages, noisemakers of any kind, selfie sticks, video cameras and still photo cameras with lenses over 12". Prohibited items must be returned to your vehicle or they will be confiscated and discarded.

Outlined below are the policies and guidelines for an approved clear bag that would be permitted into a stadium during an NFL game:

- Bags that are clear plastic, vinyl or PVC and do not exceed 12" x 6" x 12" (30.5 x 15.25 x 30.5 cm). This includes clear backpacks, clear fanny packs and clear cinch bags that fit within the permissible dimensions.
- No buckles, grommets/hardware or décor can be concealing any part of the bag.
- One-gallon clear plastic freezer bag.
- Logo can only be on one side of the bag.
- Small, non-clear bags that do not exceed 4.5" x 6.5" (11.4 x 16.5 cm) in size, with or without a handle or strap can be taken into the stadium with an approved clear plastic bag.

All other bags that do not meet the bag guidelines above will be prohibited from entering any NFL stadium. Prohibited items must be returned to your vehicle or they will be confiscated and discarded. For more information about the NFL Clear Bag Policy, visit <https://www.nfl.com/legal/clear-bag-policy>

Regarding Wisconsin's concealed carry law now in effect, the Packers, as occupant of Lambeau Field, will continue our no weapons policy and prohibit carrying firearms or other weapons on the property, including the parking lot.

Additionally, all fans entering Lambeau Field on game days will use walk-through metal detectors. Unlike the screening machines at airports, guests are asked to not remove any jackets, belts, coins, keys, wallets, watches, or other objects of similar size. Guests will be asked to walk through the metal detector with their items.
